If you have any questions about the new improved materials please contact your rep at 888-854-6284 and visit us online at MathUSee.com/new2009 to watch a video of Steve explaining the enhancements. All of the revised student books are compatible with the previous comb bound teacher manuals. The major content upgrade is the addition of complete step by step solutions in the answer key. The complete Algebra 1 solutions will be available for purchase as a separate book for those who have a pre-2009 Instruction Manual.

We hope these enhancements will improve the quality of math instruction in your home and school.

*Algebra 2 and PreCalculus will be enhanced and released along with Calculus in 2010. These will remain comb bound in 2009.
